AL European Application 0 573 879

EXPLANATION OF RELEVANCE

Reference AL was cited in an Office Action from the German Patent Office dated September 14, 2004, rendered in connection with the counterpart German application.

A copy of Reference AL together with Form 1449 is submitted herewith.

An English translation of Reference AL is not readily available to the Applicants, however, an English language abstract is attached thereto.

Should this Information Disclosure Statement cross in the mail with a first Office Action, it is in compliance with 37 C.F.R. §1.97(c), and no fee is necessary. Accordingly, the undersigned counsel states, pursuant to 37 C.F.R. §1.97(e)(1), that Reference AL was first cited in a communication from a foreign Patent Office in connection with a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

All claims of the application are submitted to be patentable over the teachings of Reference AL, taken alone or in combination with any of the other references of record. Early consideration of the application is therefore respectfully requested.
